

ISAAC BANKART

LINKEDIN

EDUCATION

Prince William School, England — 09/2013–08/2018

- A-Levels: Physics, Maths, Product Design (Abitur 1,3)

Karlsruhe Institute of Technology — 10/2019–09/2023

- BSc. Elektro- und Informationstechnik (2,2)

Karlsruhe Institute of Technology — 10/2023–03/2027

- MSc. Elektro- und Informationstechnik (expected 1,7)
- Specialisation: Kommunicationstechnik

WORK EXPERIENCE

SEW Eurodrive Forschungscampus — 04/2022–04/2023

Implementing new Communicationsystems — Bruchsal, Germany

- Configuring C/C++ Click Modular Router in Linux
- Multimodal Channel RTT Measurement and Packet Disection

Communications Engineering Lab — 03/2024–09/2025

Channel Coding on the Binary Symmetric Channel — Karlsruhe, Germany

- Threshold optimisation of the Gallager B bit-flipping channel decoder
- PyTorch, neural networks and machine learning

Communications Engineering Lab — 09/2026

Toward Fault-Tolerant Quantum Error Correction — Karlsruhe, Germany

- Realising a quantum quaternary Relay-BP Decoder

LEISURE ACTIVITIES

Music Production — 08/2020

- Independent Recording and Production/Mixing across various genres: including singer/songwriter, electronic, and fasion design,

Software Projects

- Microcontroller programming and implementing algorithms in Matlab, JavaScript, Python, C/C++ (github)

Building and Construction

- House core renovation and maintainance work at home and with friends.
